### Finally... A Balanced Sword?

When Chiron gives Percy the pen, he realizes that it is the sword that was meant for him. What would the sword that was meant for you look like? What materials would feel good in your hand? What kind of jewels would be on it?

Dress up this sword the way yours would look. Use pens, pencils, markers, magazine cut outs or other items you can find around the house that make you feel strong.

## On the Front Page

Percy sees himself on the front page of the newspaper and on TV, saying he's a criminal on the run. Draw you think the front of the paper looks like.

## The Trenton Register-News

### PERCY JACKSON SIGHTED!

Twelve-year-old Percy Jackson, wanted for questioning in the Long Island disappearance of his mother two weeks ago, is shown here fleeing from the bus where he accosted several elderly female passengers.

The bus exploded on an east New Jersey

roadside shortly after Jackson fled the scene. Based on eyewitness accounts, police believe the boy may be traveling with two teenage accomplices.

His stepfather, Gabe Ugliano, has offered a cash reward for information leading to his capture.
