MAP THE ACTION!

Using a map of New York State, find the Hudson River Valley and plot an imaginary location for Yancy Academy. Draw a map showing which highway Grover and Percy would've taken to get to New York City, and indicate where you think the fruit stand would be.

MAKE A CHARACTER COLLAGE!

Make a list of characters you've met in the book so far. This activity can either be done with computers and internet clipart, or paper and old magazines. Search and cut out (or copy on computer) photos of people that you think are close to how these characters would appear. Paste these onto a large piece of paper (or into Powerpoint or similar computer program). Label each character and find a quote about them from the book – either a description of the character or something they said. This line should be written underneath each character's picture.
