

# Join the Fun at Camp Manulife/John Hancock

Camp Manulife/John Hancock will bring the spirit of summer camp right to your home! This four-week virtual camp is available via [YouTube](#) and our [Manulife](#) and [John Hancock](#) websites for children between the ages of four and 10 from July 20<sup>th</sup> through August 13<sup>th</sup>.

Campers will get to enjoy camp song singalongs and story time with surprise-guest counselors, fun learning activities and exercises, and virtual visits to cool places all over the world. Each activity aims to inspire campers to sing, share, learn, play, create, move and—most importantly—have fun!

While so many of us are working hard to balance family life and work in this new environment, we wanted to offer a solution to help lighten the load for parents and create some summertime fun for children!

*Check out our YouTube channel*  
for exciting activities, exercises and science experiments!

As a special bonus for Manulife and John Hancock employee families, campers can earn special rewards for participating in camp activities—including a special surprise hello from one of their favorite stars. Campers will also get to connect with each other through our pen pal program and receive exciting STEM and art activity boxes from [KiwiCo](#).

This summer might feel a little different, but that doesn't mean kids can't be campers! We want everyone to join in on the fun. You can watch videos from our virtual counselors and complete Camp projects by downloading our activity PDFs on the Manulife and John Hancock websites.
