Information About the Form

The 2018 Revised Implementing Rules and Regulations of the Anti-Money Laundering Act of 2001, as amended, requires Covered Persons to obtain certain information from the individual applicant-owner and institutional client availing trust and/or investment products and services. Beneficial Owner refers to any natural person(s) who ultimately owns or controls a customer and/or on whose behalf a transaction is being conducted; or those who has ultimate effective control over a juridical person or legal arrangement. Ultimate effective control refers to situation in which ownership/control is exercised through actual or a chain of ownership or by means other than direct control.

Beneficial owner shall be:

1. The natural persons, if any, who ultimately have controlling ownership interest in a juridical person.

A shareholding or ownership interest of at least twenty percent (20%) in the customer held by a natural person shall be an indication of direct ownership. A shareholding or ownership interest of at least twenty percent (20%) in the customer held by a corporate entity, which is under the control of a natural person(s), or by multiple corporate entities, which are under the control of the same natural person(s), shall be an indication of indirect ownership.

2. The natural persons, if any, exercising control over the juridical person through other means, to the extent that there is a doubt under Item "(1)" above, as to whether the persons with the controlling ownership interest are the beneficial owners or where no natural person exerts control through ownership interests.

Control through other means, includes control exerted by means of trusts, agreements, arrangements, understandings, or practices, or when an individual can exercise control through making decisions about financial and operating policies. In addition, control also includes: (a) power to govern the financial and operating policies of the enterprise under statute or an agreement; (b) power to appoint or remove the majority of the members of the board of directors or equivalent governing body; (c) power to cast the majority votes at a meeting of the board of directors or equivalent governing body; or (d) any other arrangement similar to any of the above.

3. The natural person(s) who hold the position of senior managing official(s) or equivalent ranks, where no person under Items "(1)" and "(2)" is identified, or if there is any doubt that the person(s) identified are the beneficial owner(s).
