

Manulife

Every day better

Manulife's newest addition to its suite of funds, gives you the opportunity to boost your wealth faster and make **every day better**.

Ride the wave of Asia's remarkable growth. **Tiger Growth Fund** invests in innovative companies that are publicly traded in China and Hongkong.

Why Tiger GROWTH Fund?

Get access to China's large, domestically-driven economy, and potentially grow your funds faster through companies like **Alibaba** and **Tencent**. (Sample companies where this is invested as of December 2020)

Enjoy peace of mind as this fund is bundled with a life insurance protection for you and your family's security.

Grow better returns from this fund and use it for your long-term goals or retirement needs.

How To Invest?

Get access to this fund when you purchase any of the following life insurance plans:

Manulife Affluence Builder Plus	Manulife Affluence Max Elite
Manulife Affluence Builder	(limited offer)
Manulife Affluence Gold	Manulife Education Builder
Manulife Affluence Max Gold	Manulife Horizons

For as low as Php 1,300 monthly, you can earn and save more while enjoying lifetime insurance protection.

What is VUL?

Variable Universal Life (VUL) is an insurance plan that combines two strong benefits - life protection and investment.

Whether it's saving up or spending for essentials, a VUL or an insurance plan linked to **Tiger Growth Fund** can complement your needs perfectly!

Ask your **Manulife** Insurance Advisor for a *full presentation*.
