Factsheet

Manulife Global Asset Allocation - Growth Fund

Investment Objective

The Fund seeks to achieve long term capital growth while also managing downside risk. The Fund aims to meet its objective by investing primarily in a managed portfolio of collective investment schemes (including exchange-traded funds ("ETFs") and real estate investment trusts ("REITs") and cash. The Fund targets, at the end of each month, an asset allocation of up to 60% into schemes with underlying investments primarily in equities, commodity ETFs and/or REITs, if any. The rest of the assets of the Fund are invested into cash and schemes with underlying investments primarily in bonds and/or money market instruments.

Manulife expressly disclaims any responsibility for the accuracy and completeness of, and the requirement to update, such information.

Investments in the Fund are not deposits in, guaranteed or insured by Manulife and involve risks. The value of units in the Fund and any income accruing to it may fall or rise. Past performance of the Fund is not necessarily indicative of future performance. Opinions, forecasts and estimates on the economy, financial markets or economic trends of the markets mentioned herein are not necessarily indicative of the future or likely performance of the Fund. **The Fund may use financial derivative instruments for efficient portfolio management and/or hedging.**

Distributions are not guaranteed. Investors should refer to the prospectus for the distribution policy of the Fund. The Manager shall have the absolute discretion to determine whether a distribution is to be made in respect of the Fund as well as the rate and frequency of distributions to be made. Distributions may be made out of (a) income, or (b) net capital gains, or (c) capital of the Fund, or (d) any combination of (a), (b) and/or (c). Past distribution yields and payments are not necessarily indicative of future distribution yields and payments. Any payment of distributions by the Fund is expected to result in an immediate decrease in the net asset value per unit of the Fund.

Investors should read the prospectus and the product highlights sheet and seek financial advice before deciding whether to purchase units in the Fund. A copy of the prospectus and the product highlights sheet can be obtained from Manulife or its distributors. In the event an investor chooses not to seek advice from a financial adviser, he should consider whether the Fund is suitable for him.
